# Release Overview

BirdDogHR is excited to announce the 2019.7 Release for our customers. To aid with communicating updates on multiple modules, all enhancements and updates for the entire BirdDogHR Talent Management System are contained in this document. If you are interested in extending your license to include additional modules, please reach out to your BirdDogHR Customer Success Manager for more information.

This release provides new features, enhancements to existing functionality, as well as resolutions to known issues intended to improve the usability, scalability, and performance of the BirdDogHR Talent Management System. This document will describe the software updates and provide details to help you get started with these enhancements.

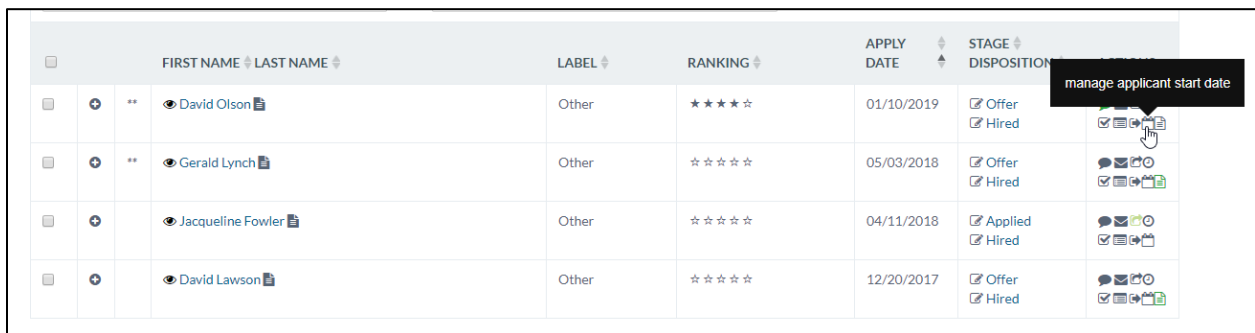

# Enhancements

## Applicant Tracking System

This release includes the following enhancement to the Applicant Tracking System module:

### Start Date Field

A new enhancement to the Applicant Tracking System allows hiring managers the ability to identify a hired candidate's start date. When a candidate has been set to a 'Hired' disposition, users will have the option to identify and/or change an applicant's start date.

	FIRST NAME	LAST NAME	LABEL	RANKING	APPLY DATE	STAGE DISPOSITION	
<input type="checkbox"/>	**	David Olson	Other	*****	01/10/2019	<input checked="" type="checkbox"/> Offer <input checked="" type="checkbox"/> Hired	
<input type="checkbox"/>	**	Gerald Lynch	Other	*****	05/03/2018	<input checked="" type="checkbox"/> Offer <input checked="" type="checkbox"/> Hired	
<input type="checkbox"/>		Jacqueline Fowler	Other	*****	04/11/2018	<input checked="" type="checkbox"/> Applied <input checked="" type="checkbox"/> Hired	
<input type="checkbox"/>		David Lawson	Other	*****	12/20/2017	<input checked="" type="checkbox"/> Offer <input checked="" type="checkbox"/> Hired	

With this information identified, users will be able to view the milestone metrics of their application process. The Start Date will be included in the Hired Candidate Report, Candidate Data Report, Candidate Overview Report and the GET Job Candidate API.

## Additional Enhancements

This release also includes the following minor enhancements:

Enhancement	Description
<b>Removed Jobmanji Job Board</b>	Jobmanji was removed from the ATS Job Distribution area. Jobmanji is no longer a job board.
<b>Removed Job Inventory Contributor Job Board</b>	Job Inventory Contributor was removed from the ATS Job Distribution area due to direct postings no longer being accepted by the board.

# Supported Browsers

The BirdDogHR Talent Management System is designed to provide browser-neutral service delivery. It is recommended that you use modern browsers, as we make every attempt to support the latest versions of the following browsers.

Browser	Version
Microsoft Internet Explorer (not compatibility mode)	11
Microsoft Edge	Latest*
Mozilla Firefox	Latest*
Google Chrome	Latest*
Apple Safari	Latest*

\* Browser updates occur on a schedule outside of our release process and we cannot control issues as a result of a recent browser update. Our overall strategy is to maintain active browser support based on demand. Regardless of formal browser support, we will always troubleshoot and correct issues impacting users to the best of our ability within reasonable means.

# Mobile Device Support

BirdDogHR views mobile device support as a critical capacity for our customers and we continue to add functionality to enhance the user experience on mobile devices. However, with many different devices and device specific software, it is impossible for BirdDogHR to test against every possible combination. With any questions or concerns, please feel free to contact our support team.
